

logitech®

A FAMILY THAT ACTUALLY GETS ALONG.

Logitech ConferenceCam Kit

with Intel NUC

Finally the full video conferencing system you've been waiting for. Logitech ConferenceCam Kit with Intel® NUC video conferencing system, configured and validated for performance and compatibility, includes a Logitech ConferenceCam, wireless touch keyboard K400 PLUS, Intel NUC, Intel Unite and Illuminari Quicklaunch SE.

No more guesswork trying to figure out which components work together. This easy-to-buy video conferencing bundle provides a robust group meeting experience that works with any VC software application or cloud service — including the ones you already use. No need to waste precious time trying to get things to work: simply walk into the room and quickly start your meeting.

The high-performance, small form factor Intel NUC delivers a robust collaboration experience, meeting after meeting. The Intel NUC with Intel Unite wireless screen sharing allows you to have a cleaner and more elegant set up in your meeting room.

Welcome to a whole new era of video conferencing flexibility and simplicity with the Logitech/Intel bundle.

Logitech ConferenceCam Kit

with Intel NUC

Configuration Options

Logitech Connect Kit

Logitech GROUP Kit

Configured and Validated for Performance and Reliability

No more guesswork trying to figure out which components work best together to support a premium and consistent group meeting experience.

Easy-to-buy

In a single package, you get a video conferencing bundle that includes an Intel NUC, Intel Unite, Logitech ConferenceCam, and Logitech wireless keyboard. This bundle can be easily purchased through your channel partner of choice.

Scalable and Affordable

Deploy video in every meeting room at a fraction of the cost to upgrade your current video conferencing solution and avoid unnecessary maintenance costs.

Plays Well with Others

Works with the video conference apps and software you already use.

LOGITECH CONFERENCECAM

Full Duplex Omni-Directional Speakerphones

Hear and be heard with life-like sound that's crisp, clear, and highly intelligible.

High Quality HD Video at 30 Frames Per Second

Brings life-like full HD video to conference calls, enabling expressions, non-verbal cues and movements to be seen clearly.

90° Field of View with Pan and Tilt

The generously wide field of view and silky smooth pan and tilt controls make it easy to see everyone in the room.

WIRELESS TOUCH KEYBOARD K400 PLUS

Integrated wireless keyboard with touchpad

10-meter (33-foot) range

Meeting room friendly keyboard

INTEL NUC WITH INTEL UNITE

High performance across all uses

5th generation Intel Core i5-5300U vPro processor.

Ultra-compact form factor fits almost anywhere

4.53" x 4.37" x 1.9" small footprint.

Microsoft® Windows® 10 Pro

Helps you to manage your devices, apps, and identities in a way that scales up or down with your needs, so your business can grow efficiently.

Intel Unite

Software powers secure, connected meeting spaces — whether your colleagues are sitting around the table or halfway around the world. Intel Unite enables wireless content sharing from PC and Mac® devices alike — no more cables, adaptors or managing display settings.

Works with all PC based UC and video conferencing applications

Microsoft® Lync® 2010, 2013, Skype for Business, Blue Jeans, BroadSoft, Lifesize, Vidyo, and Zoom. See www.logitech.com/lcp for full list and the latest information.

ILUMINARI QUICKLAUNCH SE

Fully configurable and simplified user interface

Brings appliance-like ease of use to the meeting room with the flexibility and familiarity of PC collaboration applications.

Consistent experience across the deployment

Minimizes the need for user training/IT support.

Protect against unwanted changes

Lock-down your system with kiosk mode.

'Room Reset' feature

Securely end meetings and keep your confidential data secure.

Integrated camera control

Provides easy access to camera controls.
