

Ceiling Tile Mounting

Description:

The Ceiling Mount Dome is a lightweight, clear acrylic dome. It can be mounted on most drop ceiling configurations. Telemetrics supplies the dome, dome mounting ring, spreader ring, camera mounting plate, power supply mounting clamp and spacers. Since each ceiling configuration is different, the customer must supply the dome mounting plate or special order it from Telemetrics.

Pendant Ceiling Mounting

Description:

Lightweight pendant dome with an ABS black upper dome and a removable clear acrylic lower dome. Included is a bracket for mounting Canon VC-C4 and 1" x 6" long pipe and flange for ceiling mounting. Optional wall mounting bracket is also available.
